# The Plot To Destroy Christianity!

***"And he shall speak great words against the Most High and shall wear out the saints of the Most High . . . and they shall be given into his hand . . ."*** **- Daniel 7:25**

It is the proclaimed aim of world Communism and its traitors within the ranks of Christendom, to demoralize the Christian world, and thus destroy all opposition to communism.

The conspiracy against the Christian World comes direct from the Communist camp, but was initiated in the "Synagogue of Satan" (Rev. 2:9), we know as International Zionism.

This plan is to so cripple the fighting spirit of North-American Christian anti-communists in particular, that they can bring this nation of ours within the sphere of their Satanic influence. In other words, it is intended to cripple the defensive power of the Israel nations we call Christendom, so as to pave the way for the ultimate triumph of anti-God Talmudic Communism.

Of all the reactionary systems which have been developed during the 6,000 years of written history for the destruction of moral values, Talmudic communism ranks first. It is without doubt the most perfected, the most efficient and the most merciless system the world has ever seen and the most successful. Already, in a matter of some 70 years, it has subdued over 1/3 of the earth and subjected over 2-billion people to the most merciless dictatorship in the annals of history.

Whether American Christians want to accept this assessment or not, the fact remains, with ample documentation from enemy sources itself - that it was revolutionary Jewish effort that spawned this movement and bankrolled it. It is an effort to wipe Christianity from the earth and God from the skies. Thank God, we know that He has said of this effort, in Psalm 2:4: "He that sitteth in the heavens shall laugh; the Lord shall hold them in derision (contempt)." This we know will be the ultimate outcome. The question is however, will "brainwashed Christians" allow this Godless power to conquer and destroy millions of our people, before they wake up to the danger they face?

The destructive fervor of this satanic drive, brings us terrible pictures of destruction and human suffering, such as has never been visited upon the earth. We are told in Matthew 24:22, that the situation will become so bad, that unless the Lord Himself intervenes on behalf of His "elected ones," all flesh would perish.

Never before in the history of mankind, has such a "hate filled" campaign been carried on to wipe Christian values from the face of the earth and degrade everything which is connected with Jesus Christ and His church.

The purpose of International Communism is, and always has been, to enslave people in economic, political, social and spiritual bondage, so that a minority may rule completely. This is the underlaying desire of International Zionism, as clearly indicated by its leaders. In 1931, the Jewish Zionist leader Vladimir Jabotinski, speaking at the 5th Congress of Polish Zionist Revisionists in Warsaw, Poland was reported in the London Times of 12/30/31 to have said: "The Jews will become the dynamite which will blow up the British Empire." He might as well have said the Christian World, for this is what he meant.

In 1881, Goldwin Smith, a Jewish professor of Modern History at Oxford University, put the aims of Zionism into proper perspective when he said: "We regard our race as superior to humanity, and look forward not to its ultimate union with others, but to its triumph over them." In 1918, Count Mensdorf, the Austrian Ambassador to England, stated in London: "Israel (the Jews) won World War I; we made it, thrived on it; profited from it. It was our supreme revenge on Christianity."

In 1852, Benjamin Disraeli, the Jewish Prime Minister of Britain stated in **THE LIFE OF LORD GEORGE BENTINCH:** "The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition, against religion and property . . . men of Jewish race are always found at the head of every one of them; this peculiar race . . . touches the hand of all the scum and low castes of Europe; and all this because they wish to destroy ungrateful Christianity."

The roots of Communist thinking can be found in their own textbook, **PSYCHOPOLITICS,** which was published in 1933 and taught in the Lenin School of Psychopolitical Warfare, University of Moscow. It states: "The first thing to be degraded in any nation under conquest must be the state of man himself. Nations which have a high ethical tone are difficult to conquer. Their loyalties are hard to shake . . . It is not efficient to attack a nation in such a frame of mind. It is the basic purpose of Psychopolitics to reduce this state of mind to the point where it can be ordered and then enslaved. Thus the first target must be man himself. He must be degraded from a spiritual being to an animalistic reaction pattern. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or his fellows, as capable of spiritual endurance or nobility . . . as a result, religion must become unfashionable, by demonstrating . . . that the soul is non-existent, and that man is an animal."

Have you ever wondered why your children are literally inundated in their Government schools, with the teaching of an unproven theory called "evolution?" Why they are taught that they came into existence through a "fortuitous concurrence of atoms." That somewhere in the dim, distant past, millions of years ago, an amoeba, floating around in some primeval muck, fell in love with another one, then developed over the centuries into a frog, then into a monkey that swung from a tree, and finally after millenniums had passed, this ape became your great, great, great, great grandfather. How simple and blessed is the teachings of the Holy Bible, that man was a creation from the hand of God Himself. Its no wonder our children have difficulty in life, when they are imbued with the feeling that they are not really much better than an animal. You see, if these boys and girls can be made to believe that they are animals, even graduate animals, then they aren't very important in the overall scheme of things and they can be treated and eliminated as animals for the good of the master. This is basic Communist-Talmudic theology.

The urge to murder and hideously torture, which is so characteristic of communist thinking throughout the world, is but one outward sign of this satanic conspiracy. It was spawned in the dusty corridors of ancient Babylon and has been carried down to our day in a set of religious books known as the Babylonian Talmud, which is the Bible of modern Jewry.

The red terror always begins by eliminating the intellectuals and the Christian leaders. I saw this first hand in South Korea in 1948, when I was caught in an abortive coup attempt against the South Korean government. In one ten day period, under the control of their People's Court, over 3800 people were brutally slaughtered in one small South Korean city. It was the Christian city of Sun'chon, in Chollo Nam Do Province, which bore the brunt of this savage attack. It was the Christian leaders and their families on whom the worst of the brutality fell. This has been the communist pattern world-wide.

Communist leader Lustis said to his followers: "Let us not carry on a war against individual persons, but let us exterminate the burgeoise (property owners) as a class. Do not investigate through the study of documents or proofs, what the accused has done in words and deeds against Soviet authority. The first question to be placed before this is to what class does he belong, what is his origin, his education, his training, his profession." This is something American intellectuals should think about, when they are tempted to promulgate the communist theory.

During the first communist regime under Lenin, an investigating Committee in 1919 reported this incident: "The entire floor of a large garage was used as an execution site in the provincial city of Kiev. It was swimming with blood. It did not flow, but formed a layer several inches thick and was a grisly mixture of brain and skull fragments, as well as strands of hair and other human remains.

"The entire walls were holed with thousands of bullets and were splattered with blood and fragments of brains as well as the skin that adhered to them. A ditch ran from the middle of the garage to a subterranean outlet pipe. This drainage ditch was 25cm wide and 25cm deep. lt was filled to the top with blood.

"Immediately after the executions, the corpses were removed by lorries or horse drawn carts and were buried in a mass grave. In one corner of the garden we found an older grave which contained some 80 corpses, in which we discovered the most varied and unimaginative cruelties and mutilations. There were corpses with their entrails removed; others had their eyes poked out and there were deep wounds in their hands, face and neck. Further on we found a corpse with an axe buried in its breast, while others had no tongues. In one corner of this mass grave, we discovered many arms, legs and severed trunks."

You may be inclined at this point to say: "What a gross description.

Who would believe it?"

Well you better, if you want to stop it from coming here. I have seen worse in Korea. Have you ever seen a man impaled alive on a sharp bamboo pole, while his pregnant wife is stripped before him and then raped over and over, before being chopped into pieces before his dying eyes? Have you ever seen a young woman stripped of her clothing, while she is nailed to a tree with spikes driven through her breasts and a bundle of rice straw, soaked in oil is bound between her bare thighs and set on fire? Have you ever seen an elderly nun crucified against the walls of her church, with bayonets driven through her hands and rib cage and listened for agonizing hours as she screamed, and cried, and begged for mercy from men who knew no mercy. Have you ever seen a tiny baby snatched from his mothers arms and then tossed back and forth between two drunken soldiers, as they caught the little body on the points of their bayonets? Of course you haven't and many of you are going to say or think: "How can you be so gross?" You don't even understand the meaning of the word "gross." I do, because I saw these things and had them practice on me. I swore before my God, that if He ever got me out of that mess, and safely back to the country I love and the people I love, I would do everything in my power to see that these things never happened in America. I can tell you without equivocation, that I get angry when I see plans underway in America, to bring that same kind of terror here. But look at the record. This terror is not unusual for Talmudic-Communism, they have done it to well over 100-million people in the past seventy years, what makes you think America is immune?

In their textbook **PSYCHOPOLITICS** we read these words: "We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When that is done, we will have an end to them everywhere."

Gus Hall (Hallerg), the perennial head of the American Communist Party has predicted that 60-million Americans will be ruthlessly slaughtered when the communists take over. This is what the fight is all about! Wake Up!

There is little doubt in my mind, that many of you who read this message believe that the Lord will come back and "rapture" you out of this old world before this happens. I'm looking for His return too, not to take me out of the world, but to set things right as He has promised over and over again.

Many of you who are so sure you won't be here when these things happen, have refused to do anything to keep them from happening. You are the ones who are to blame for the mess this country is in. Your Master told you to be the "salt of the earth," and instead, you have hidden in your spiritual foxholes, folding your holy hands in prayer, while you asked Him to do the dirty work He gave you to do. Now you feel He will remove you from the mess your apathy has caused. I want you to ask yourself a simple question: "Do you believe the early Christians might have felt the same way during the terrible persecutions of the 2nd and 3rd centuries?" Do you think our Christian kinsmen in Russia might have felt that they too would be rescued before it happened to them? Yet

we know that over 60-million have been slaughtered behind the Iron and Bamboo curtains in the past seventy years. Do you believe that you are better Christians then those who have suffered for the cause of Christ? Do you believe that you deserve to be rescued when they paid for their love of the Savior with their lives? Shame on you complacent Christians who teach this Jewish fairy tale. Shame on your conceit! We know from the reports of missionaries, that the reason hundreds of thousands of Chinese Christians died, when the communists took over that unhappy country, was because they had been taught not to worry, Jesus will come back and rapture you before it gets all that bad. Is that what American Christians are going to do?

Now I know that some of you are going to be angry with me, because I have forced you to look at yourselves and you don't like what you see. But have patience and go with me a step farther and read Matthew 24. This was the chapter in which Christ was explaining to His disciples, the events which would take place before His return, at the end of this Age. Many pastors have tried to convince their people that Christ was speaking to and about Jews, in these passages. He was not! He was addressing His Christian followers.

In the first seven verses of this chapter, the Lord speaks about wars and rumors of war, famines, pestilences and earthquakes. Then note carefully the words of vs. 8 - **"ALL THESE THINGS** are the beginning of sorrows, **THEN** (in other words, after the preceding things happen) shall **THEY** (who is this **THEY.** It is the heathen Jews, of the Synagogue of Satan, those who say that they are Jews and are not, Rev. 2:9). **DELIVER YOU** up to be afflicted, and they shall kill you: and ye shall be hated of all nations for my name's sake." A more precise definition of the persecutors is given in Luke 21:12, where our Savior says "they will deliver you up to the Synagogues . . ." You should know without any problem, who He is referring to, since only one group of people worship in synagogues.

It is most unscholarly, in fact intellectually dishonest, to make this prediction of the Master refer to **JEWS,** since the Jews have never been "persecuted for Christ's sake." Without the shadow of a doubt, Jesus was speaking about Christians who would be alive on this earth, when this event takes place. Now be honest with yourself, can you find one word, or even a hint, that suggests a "rapture" of the church? Of course you can't, because it isn't there. Don't you think your Savior would have mentioned something as important as this, if it were true?

I know about Paul's message in 1 Thessalonians 4:13-17 and again in 2 Thessalonians 2:1-8. I know how many preachers predict that the Holy Spirit will be withdrawn from this earth and that an anti-Christ will take over after the church is removed. But it's not in the Bible anywhere and wasn't taught in the early church. In fact the "rapture" was not taught in the Christian church before the middle of the 19th century.

These same pastors who tell you that the Holy Spirit will be withdrawn from the earth, are the one's who now say that you can't be saved unless the Holy Spirit convicts you of sin. This is what the Scriptures teach, see (Romans 8:14; 16:8). There can be no salvation without Holy Spirit conviction of sin. The person who tells you that anyone can be saved, doesn't know his Bible. You must first be convicted by the convictor.

Now I'll be the first to admit that the message of the "rapture" is a mighty comforting message. But so is the preaching of some false teachers, who say that everyone on earth is going to eventually be saved. I'd like to believe that too! But it's not true! Millions will die because this message was preached. So don't be so positive in your belief that you are going to escape the tribulation which comes to this world, when it isn't taught in the Scriptures. No matter what your pastor, or the seminary professors say to the contrary, this fact is not going to change.

Now I do believe our God is mighty enough to keep His people safe during the tribulation and we have many examples to prove this. The Hebrew children in the fiery furnace of Nebuchadnezzar, Daniel 3, where in vs. 25 we have an indication that the Son of God walked in that furnace with them and they came out without even the smell of fire on their clothes (vs. 27). Then there was

Daniel in the lion's den, Daniel 6:22, 23. In Psalm 91:8 we read: "only with thine eyes shall thou behold and see the reward of the wicked." In Malachi 1:5, speaking of the destruction of "those who say they are Jews and are not," the writer says: "And your eyes shall see, and ye shall say, the Lord will be magnified from the border of Israel." There are many other verses which indicate that the just will be protected during this period.

In Matthew 24:22, we read of the days of the Great Tribulation: "And except those days should be shortened, there should no flesh be saved; but for the **ELECTS** sake, those days shall be shortened." Your pastor may try and tell you that these "elect" are Jews, but the word "elect" is never used for the Jews anywhere in Scripture, always refers either to Israel or the church.

Most fundamental Christians believe, or have been taught, that the Book of Revelation was written about **96 A.D.** This date is based on very flimsy evidence and the preponderance of Bible scholars place the date during the reign of Nero and prior to the destruction of Jerusalem in **70 A.D.** If this is true, then the book of Revelation could have been written in a code that the Christians of Rome understood and would have been a warning to the Christians in Jerusalem about the impending disaster. This book warns of the impending disaster to the city of Jerusalem and the Jewish State, and the impending persecution of the Christians by the Roman Empire.

The destruction of Jerusalem is portrayed in vivid terms in chapters 17 and 18, where the city is characterized as a harlot, for having rejected the teachings of the Son of God. The destruction of this city was indeed a Great Tribulation, since over a million Jews perished in the event and its inhabitants were reduced to cannibalism during the siege. It was a time of "Great Tribulation" such as bad never been seen up until this time. If you will carefully read the Matthew 24, Luke 21, and Mark 13 account of this event, you will see that Jesus was warning His Christian followers (not the heathen Jews), to flee from the city in haste, not even taking time to gather their belongings.

History shows that not a single Christian was caught in the city when it was destroyed by the Romans. They had believed their Lord, and had fled to the little city of Pella, near the Dead Sea.

It makes sense that the Apostle John would give the Christians living in Jerusalem, a last second warning before that city fell. He did it in such a manner, that neither the Jews, nor the Romans understood it.

The Christian historian Eusebius, the Bishop of Cesarea in Palestine, wrote in 324 A.D. that the Christians in Jerusalem had fled to Pella prior to the city's fall.

Any honest observer of Scripture, who will go beyond the few verses used by the "rapturists" to prove their theory, will come to the conclusion that Christ's, admonition to His followers to flee to the mountains was directed at Christians, not Jews and was for that day, not this.

Eusebius goes on in his history to explain how the siege that destroyed Jerusalem in **70 A.D.** was a fulfillment of the prophecy of Daniel, referred to by Christ in both Matthew 24 and Mark 13, when the "abomination of desolation" stood in the temple of God in Jerusalem and desecrated it before destroying it.

There are many warnings concerning impending persecution of Christians in the book of Revelation, each one is accompanied by the assurance that those who suffer for the Lord will receive a special reward in His Kingdom on this earth. Read very carefully chapters six and twenty. The plain teaching of the Word of God, is directly contrary to what is taught by the dispensationalists such as Dr. C. I. Scofield.

When the word "elect" is used in the New Testament, it refers to those who are "called according to His purpose," (1 Peter 2:9 and 1 Thessalonians 1:4.) It does not and cannot refer to an anti-Christ people such as the Jews. It is not only bad scholarship, but downright dishonest to change the meanings of words in the Bible, to fit some theological concept you may have.

**CHRISTIANS**, get up out of the spiritual foxhole where you have been cowering in fear and take a stand for your Lord: "Quit ye like men, be strong!"

A lady said to me: "I don't have to worry about the communists, since I'm a Christian and will be raptured before they take over!" Talk about being "self-righteous." That old sister was so wrapped into her sheet of "self-righteousness," that its doubtful that even the power of Almighty God will get her unzipped in time, when the Lord does return. Don't you suppose there were Christians in Russia, who might have felt the same way, before they saw their families slaughtered before their eyes and they were hauled off to the gulags? The Bible tells us that just because people claim to be Christians and say "Lord! Lord!." does not mean the will enter His kingdom. The ones who get in will be those who do the "will of His Father which is in heaven." That folks, means obeying His law.

Nowhere in the New Testament are Christians given the option of taking shelter in a foxhole while the battle rages outside! Over and over again they are admonished to "Occupy until He comes!" You can't occupy when you're in a foxhole! Over and over again Christians are told to: "contend for the faith!" "Put on the whole armour of God." You don't put on armour to go to bed, or to eat dinner, armour goes on before a battle. Yet unfortunately, the great majority of Christians do not even realize we are engaged in a battle for our survival and that they are often taking the side of the enemy, working for their own destruction.

Today, there is a war going on for the extinction of "white Christian civilizations," and everything of value it has brought to this world. I use the term "white Christian civilization," because it has only been the countries of Christendom, who have openly responded to the Gospel of Jesus Christ; who have built their country's laws on the Ten Commandments; who have freed the slaves' who have sent the message of salvation to the four corners of the earth; and who send aid when there is a great catastrophe. Not one single colored country has ever been reached for Christ without a great deal of effort, money and often danger. This is one of the reasons we can be sure the nations of Christendom are the "true Israel." Read your Bible and find out for yourself!

Now whether you want to accept this truth or not, does not change it. It does not matter what your pastor may say to the contrary, the truth still exists. This is that International Talmudic Zionism - **JUDAISM** if you will, is behind this anti-God system. Many of you are going to balk at this statement and may throw this tract away, or stop reading. This does not change the truth of my statement. You have become so "brainwashed" by the teachings which have come to America's pulpits from such Christian Zionists as Jack Van Impe, David Webber of the Southwest Radio Church, or Jerry Falwell, that you are willing to defend the "synagogue of Satan" (Rev. 2:9; 3:9) against the plain teachings of God's Word. I suggest you ask your Judaized pastor the meaning of 2 Chronicles 19:2 and why he does not believe it. This verse says: ". . . shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from be fore the Lord:" Who do you think is responsible for the blasphemy of a movie such as **THE LAST TEMPTATION OF JESUS,** which is causing such a furor in fundamental circles? Look at the names of those who produce it and see for yourselves; yet have you heard one fundamentalist leader who has condemned the one's who are responsible for this blasphemy? Of course not! Look at the names behind the abortion mills of America, which yearly murder over 2-million unborn babies. Look at the names behind the dope trade, prostitution, pornography, in fact everything which is seeking to destroy Christian America. I dare you to look and see who took prayer from our public schools and who are trying to take Christ out of Christmas and Easter. Look and learn, if you dare

Jack Van Impe, in one of his books says that the Jews have been blamed for every evil in the world and that we better back thee poor, down-trodden people or the wrath of God will fall on us. Then he quotes the favorite words of the **JUDEOPHILES**, Gen. 12:3, where God said to Abraham: "I will bless them that bless thee; and curse him that curses thee . . ." The problem is, these words were written about Israelites, not Jews, since Abraham was never a Jew and neither were His descendants, until we find the wayward mixed race of the Edomites, whom our Lord condemned in John chapter 8 as being of "their father the devil."

A little honest Bible study, without some preacher looking over your shoulder to tell you what the Bible means, will tell you why the Jews have always been the bitterest enemies of Christ and why

they are now trying to eradicate His church.

I am going to prove to you, if you are willing to accept Biblical facts, rather than go by the emotions which have been built up from Jewish propaganda in your church, that the people we now know as **JEWS,** are the directors and inventors of world communism and that the methods, tactics and force of communism, comes straight from the pages of the Jew's religious book called the Babylonian Talmud.

But before we get into that, let's spend a few moments looking at some of the early leadership of the modern communist movement.

Over 150 years ago, a German Jewish philosopher named Ludwig Feurbach, stated: "Man will become truly free, when he realizes that ,there is no god of man, but man himself." This idea became so deeply rooted in the disease brain of a young Jewish radical named Karl Mordecai Marx, the son of a rabbi, whose real name was Kissell Morekay (Jews often change their names to hide their true identity). He was born in Thier, Rhineland, Germany. Before he wrote his infamous book **DAS KAPITAL** (which he wrote and published with the aid of another Jew named Frederick Engels.) He wrote a book called **THE COMMUNIST MANIFESTO,** which is the Bible of modern Communism. A close check of the **MANIFESTO** will show that it was taken almost verbatim from the pages of the **BABYLONIAN TALMUD.** Between 1843-47, Marx formulated in London, the first modern interpretation of the Hebrew Nationalist Articles and published them in the French German Yearbook under the title: **CONCERNING JEWISH QUESTION!** Marx was a ner-do-well alcoholic, who allowed his family to starve while he was kept by his millionaire benefactor Engles.

Frederick Engels was an English Khazar Jew who was the creator of the first Communist International and who was primarily known for the aid he gave to Marx. He was born in Bremen, Germany.

Karl Kautski, was a Khazar Jew from the Prague, Austria whose real name was **KRAUS.** He was the author of a book titled: **THE BEGINNING OF CHRISTIANITY,** in which he blasphemes Christ and pokes fun at Christian principles. He was the most important interpreter of Marx and in 1887 published a book titled **THE ECONOMIC DOCTRINE OF KARL MARX MADE INTELLIGIBLE FOR ALL.** He also wrote books such as **THE CLASS STRUGGLE,** which was the fundamental book of the Chinese Communists, prior to Mao's **LITTLE RED BOOK.**

Ferdinand Lassalle, a Khazar Jew born in Breslau in 1825, was active in the revolution of 1848 and was a noted communist publisher.

Jacob Lassalle, Max Hursch, Edgar Loening, Wisschauer, Babe, Schatz, David Racardo and many, many others, all Khazar Jews, were writers and leaders in the spread of Communism around the world.

In 1918 Germany became the "show place" for the Zionist-Communist directed revolution. The Red Council of the German Republic was completely Jewish, made up of people with names such as Liebernecht, Rosa Luxemburg, Kurt Eisner and other Khazar Jews. When the German monarchy fell during World War I, the Jews gained control of the government and laid the ground work for the bitter hatred they encountered under Hitler. Their ministers of state were men with names such as Hoose, Landsberg, Koutsky, Kohn and Hartzfeld, all Khazar Jews. Their Minister of Finance was a Khazar Jew named Eisner, who was directly responsible for the terrible inflation of the late twenties, which was caused by the International Jewish bankers and led to the rise of Adolf Hitler. The Minister of the Interior and the President of the Bavarian Council were also Khazar Jews. All were major instigators in the revolution which destroyed the German Republic.

The first Cabinet of Post-War Germany in 19l8 was composed of seven Khazar Jews, there was not a Gentile among them. The second German Socialist Government in 1918 was also completely Jewish.

Of the 28 commissars who formed the Hungarian Socialist Republic in 1919, 18 were Jews. More than 90% of the government agents of Bela Kuhn (under whom Christians suffered terrible persecution), were Jews - 41 in all. They vented their terrible Talmudic hatred for Christ and Christians on the Hungarian Christians.

While it is easy to prove that Marxist Doctrine is Jewish doctrine, many Christians refuse to accept this because they have been "brainwashed" into accepting the teaching coming from their pulpits, that the people we today know as Jews are the Chosen People of the Bible who must be respected and aided, no matter what they do.

But putting aside all preconceived notions, lets look at the Communist Government of Russia in 1918. In the Council of the People's Commissars, sixteen of the nineteen governing persons were Khazar Jews.

In the Commissariat of the Interior, all ten were Khazar Jews. In the Commissariat of Foreign Affairs, fifteen of seventeen were Jews. In the Economic Commissariat, fourteen of fifteen were Khazar Jews. In the Commissariat of Law, all eight top members were Khazar Jews. ln the Commissariat of Public Education, all seven members were Khazar Jews. In the Commissariat of the Army, all fourteen members were Khazar Jews. In the Commissariat of Health, all fourteen were Khazar Jews. Of the twenty-three members of the Soldier's and Worker's Council of Moscow, 23 were Khazar Jews.

Have you had enough? We're not finished yet!

Of the 59 members of the Central Committee of the 5th Communist Congress, 52 were Khazar Jews. In the Police Organization called **CHEKA,** later the K.G.B. of 34 members, 30 were Khazar Jews.

Remember now, these are not figures 1 have picked out of the air for the purpose of establishing my facts. They are taken directly from Communist records of those days. Top Jewish leaders have ceaselessly bragged about this control. In 1921, the top Jewish leader in America, Rabbi Stephen Wise of New York City, when asked about Communism said: "Some call it communism; I call it Judaism!" M. Hermalin, a Jewish writer, writing in **THE MACCABEAN**, a Zionist organ in New York City under the headline **A JEWISH REVOLUTION,** stated: "The Russian Revolution was made by Jews. We have created secret societies and planned the reign of terror. The revolution succeeded because of our convincing propaganda, and our mass assassinations in order to form a government truly ours." **THE AMERICAN HEBREW,** the leading Jewish newspaper in the United States, stated on October 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical force, become a reality all over the world." Yet the dumb Judeo-Christian preachers still insist these are God's Chosen people, even though their Lord, Jesus the Christ said to them; "Ye believe not; because **YE ARE NOT OF MY SHEEP,"** (Emphasis mine.) (John 10:26.)

Of a total of 520 top Communist leaders in the first Russian Communist Government, 110 less than 459 were Khazar Jews, most of them from the east side of New York City.

A little honest study on your part, or on the part of your pastor, should convince the most reluctant, to acknowledge that the massacre of Christians in Communist Russia, was carried out under Jewish control, orders and supervision.

Why is it that our media has never told us these facts? It is because all the major news outlets in the United States are Jewish owned and/or controlled. 909 of the major daily newspapers in the U.S. fall into this category, as do 49 of the leading weekly magazines.

Why do our pastors refuse to tell us these facts? Is it that they too have been brainwashed in the seminaries by insidious Jewish influences which have crept in? In Titus 1:10, the Apostle Paul warns the early church against "unruly. and vain talkers and deceivers, **SPECIALLY THEY OF**

**THE CIRCUMCISION** (Jews)." (Emphasis mine.) This is still true today, since these anti-Christs have become very adept at infiltrating our seminaries. It is strange how Christian sources never hold back when discussing alleged, mostly unproven Nazi atrocities in World War II, but refuse to discuss the millions of Christians who have been ruthlessly slaughtered by Zionist Communism.

Why is it that decent, God-fearing ministers of the Gospel, refuse to face the facts and instead uphold the very people who are set on destroying everything they stand for? I believe it is because they do not have the "moral guts" to admit they have been taken in by slick Jewish propaganda and that they do not have the courage to admit that they and their church leaders have been wrong for so many years. This plus the fact that many of their church's teachings hinge on the supposition that the modern day Jew is indeed the Israel of the Bible, causes them to take a stubborn stance which cannot be changed until they have themselves experienced the personal hatred of these anti-Christs. How sad, that Christians must see their loved ones slaughtered and tortured, and their own freedom taken away; until they will believe the literal teachings of their Lord, when He accused the Pharisees of His day (these are the same as the Jewish teachers of this age), of being guilty of "all the righteous blood shed on earth since the time Cain slew his brother Abel." (Matthew 23:34, 35.)

When I took these facts to my fundamental Baptist pastor, after a summer of studying and agonizing to learn the truth, for I too had been guilty of leading my people astray for eighteen years as a Baptist evangelist - he turned me away, accused me of being an apostate and refused to face facts, either Scriptural or historical. His answer to every fact 1 presented was: "You can't show me anything! I already know what the Bible says. The Jews are the Chosen seed of Abraham, everybody knows that." When I asked him if this was true of Sammye Davis, Jr., he got mad and slammed the door in my face. Within two weeks, I was "persona non grata" in all the fundamental Baptist churches in Mississippi and pastors 1 had known and loved for many years, refused to even say hello to me, but when they would see me approach, would cross over to the other side of the street. I honestly believe they were afraid of me. It's no wonder our Christian people are in such spiritual darkness, when their shepherds refuse to tell them the truth. This is prophesied for Israel in Jeremiah 5:30, 31 - "A wonderful and horrible thing is committed in the land. The prophet preaches prophesy (preach) falsely, and the priests means; and my **PEOPLE LOVE TO HAVE IT SO AND WHAT WILL YE DO IN THE END THEREOF?"**How can you waken a people who delight in being fooled?

Isaiah 56:10 also speaks of this present time when he says: "His (Israel's) watchmen are blind (a blind sentry isn't worth very much); they are all ignorant, (of what is happening) they are all dumb dogs, they cannot bark: (a watchdog that refuses to bark, or cannot bark is worse than useless, he is a danger to his owner), sleeping, lying down, loving to slumber. They are greedy dogs (shades of Falwell, Swaggart and Bakker) which can never have enough, and they are shepherds that cannot (will not) understand; they all look to their own way, everyone for his gain. . ." What a terrible indictment for our modern preachers, many of whom are in the evangelical and fundamental pulpits, and some who are trying to lead Identity churches.

My pastors major argument was that if I persisted in the foolishness of warning our people of the danger we faced, the "doors of every Baptist church in this land will be closed to you." This was the first time I realized that God had to get the approval of pastors, before He could do anything. That smacks of Talmudic teaching, which say that when there is a problem heaven, God asks the Jewish rabbis for their opinion before He makes up His mind.

If you will take a little effort to investigate, you will find that the anti-semitism of Stalin and his blood-bath against the Trotskyite Jews, was carried out by other Jews, just as were many of the atrocities in Germany, and more correctly Soviet concentration camps. The struggle between the Jew Trotsky and the Jew Stalin was over who would control Russia and the Communist Party. In this struggle they slaughtered each other, as well as millions of Christians. This should tell you something about the nature of this "Jewish beast." What did it matter to the International Zionists, if a few thousand innocent Jews were slaughtered, when they were caught in the cross-fire?

They admit in their writings, that they are willing to sacrifice thousands of "their lesser brethren," if it brings about their final victory and they teach that their God smiles on this sacrifice.

When the Jew, Maxim Maximovich Litvinoff, Minister of Foreign Affairs in Moscow, was replaced by the Khazar Jew Moltov in 1939, the Jewish presses around the world screamed "anti-semitism." But they were careful to keep quiet the fact that Litvinoff lived a life of comparative luxury as a member of the Foreign Ministry, until his natural death a few years later. In his memoirs, published after his death, Litvinoff's opinion was that nothing would change after the death of Stalin, and this proved true.

What America and the Western World likes to call a "change in Russian policy," "glastnost" they call it now, in the Soviet Union, is nothing more than the skillful propaganda to further Zionist plans for a one world government, which they will control. The blueprint for this is drawn up in the Talmud.

The Zionist conspirators of the West want to paint Soviet Communism as "raven black," with the brilliant colors of "pascifism," "co-existence," "detente" and "peace at any price!" They want to introduce Zionist style communism to the world as harmless and for the benefit of mankind.

Why do you suppose, that over 240 members of our U.S. Congress joined an organization in 1966, called **MEMBER'S OF CONGRESS FOR PEACE THROUGH LAW (MPCL),** when they acknowledge that it calls for the total disarmament of America "under existing world law?"

Let me break this down into laymen terminology. First, I want to remind you that "unilateral" when used with "disarmament", means "one sided." We do while the communists "don't". The stupidity of this kind of thinking can be seen in a remark made by a leader of the National Council of Churches when he said: "We have the answer to the world's war problem. If the U.S. would take all their military equipment and dump it into the Pacific Ocean, the Communist world would see that we meant business and would do the same." We could have peace doing that, yes, but any Fifth Grader should understand that it would be the "peace of the grave!"

We can see the results of this "mushy" kind of thinking in our U.S. State Department, in Memorandum #7277, written during John Kennedy's Administration. This memorandum called for the complete disarmament of America in four steps - we are in phase four at the present time - and our country has reached the place where we are no longer immune from Communist assault.

This disarmament and the one proposed by the **MPCL** is to be carried out in two steps: (1) "Complete Disarmament," which will completely phase out all American military power and our national security would be taken over by a United Nations peacekeeping force; and, (2) "General Disarmament", in which our local police forces would be taken over by a National Police under which our citizens would become completely disarmed. The Federal Agency called **FEMA,** is working towards this end.

Now while you may not want to accept this, it is all part of the Talmudic plan for a Jewish controlled America, and through us, the world. You can scream until you are blue in the face that you do not believe this. You can call me "Nazi," or "Fascist," or "anti-Semitic," but you can't get away from the facts, which prove that world Judaism has been and is now, the guiding light behind world communism.

Let's spend a few profitable moments to see what they have done in other countries. In Hungary, out of the ten original top communist officials, 13 were Khazar Jews. The doctor who tortured Roman Catholic Cardinal Midzenty and who later became Ambassador to the U.S. was a Khazar Jew. The head of the Communist People's Court in Budapest, that ordered the execution of thousands of Christian Freedom Fighters, was a Khazar Jew. The Minister of Education, Prof. Lazlo Benedek, was a Khazar Jew, and in Czechslovakia, out of nine top Communists leaders, all were Khazar Jews.

In Poland all top leaders were Khazar Jews. The only important non-Jew leader in Poland,

Gomulka, was removed from political leadership in 1949.

In Yugoslavia, Tito was a Khazar Jew whose name was Josef Walter Weiss; he came from Poland and was an agent of the Soviet Secret Service in Kabul, Teheran and Ankra, until 1935.

The Zionist-Communist aim of a one-world government is readily understood by any Jew who has received training in their religious book, the Babylonian Talmud. This means that "all" rabbis understand this, since it is the central theme of this book. It supercedes the law of Moses in the Torah. Communism is a Zionist aim, by which they intend to control the world and they do not hesitate to tell you so. They believe the "goyim" (which means non-Jew animal - you), are so incredibly stupid, that they can tell us what they intend to do and we will not believe them. Isn't that the way it has worked out with the Communists? They have told us for seventy years that they intend to destroy us, yet many of our political and religious leaders say: "They don't really mean that!" When Khruschev came to the United Nations a few years and pounded on the podium as he screamed: "We will bury you," the great American intellectual, Prof. John Kenneth Galibraith, said: "He didn't really mean that. He meant they would pass us industrially." No wonder Khruschev when he returned to Moscow, was reported in Pravda to have said: "I went to America and spit in their faces, and they thought it was dew!"

Jesus Christ fully understood these evil people when He called their leaders: "snakes, hypocrites, whited sepulchers, murderers, seducers, sons of Satan, of the synagogue of Satan," too bad our Christian leaders can't see what He sought to teach us.

There were years when I believed the Jewish propaganda I had heard in my Baptist church. Then one day, I was forced by circumstances beyond my control, to take a close look at **JUDAHISM,** and the effect it was having on America and the Christian church. For years I vehemently defended these people against any "extremist" who dared to insinuate they were not the people of the Book. But 1 found to my horror, that the "Moral Majority" programs of American Christians, the stand of men like Van Impe and Swaggart and Webber will all go down the drain, unless Christians are willing to take off the spiritual blindfold they have placed on their eyes and look for the Scriptural and historical truth.

Any normally intelligent Christian, who is willing to take the time and effort to sit down with his Bible and a good history book, and who is willing to be guided by the Holy Spirit, rather than the teachings of some man, can see that these people we now call Jews, cannot be the people of Israel and are Christ's worst enemies.

Now it's a sad thing to realize, that even though I have no ulterior motives and am concerned only with the safety of the people I love, and of the Christ I adore, there will be those who will try and blacken my name, because I have dared to tell them the bitter truth. It is very possible that I may have to say what the Apostle Paul was forced to say to the Galatian Christians (4:16): "Am I therefore to become your enemy, because I tell you the truth?"

Let me say this with all the love and force I can summon. I have not departed from the faith. I love my Savior and the Old Book more than I ever did before. But my duty to my God, as a "watchman on the walls of Israel America," is to speak the truth, not win some popularity contest with Christians who do not want to be warned. So if my friends turn against me, because I speak the truth, it will make me sad, but it will be worth everything to me, if only a few recognize the truth, then have the spiritual "intestinal fortitude" to do something about it.

The attitude of the average Jew towards materialism is well known. One Jewish writer, Werner Sombart says: "The fundamental characteristic feature of the Jewish religion consists in the fact that it is a religion which has nothing to do with the other world, but is, as one might say, totally materialistic. Man can experience good and evil only in this world; if God wishes to punish or reward, He can only do this during the lifetime of a man. Therefore the righteous man must attain well being here on earth and the godless must suffer here."

He then gives this major difference between the Christian and the Jew. "The Christian is on his death bed and is tortured by pangs of repentance because he has cheated his fellow men and has unjustly acquired much goods. The devout Jew, on the other hand, when he approaches the end of his life, looks with contentment on the trunks filled to bursting in which his profits have accumulated and which during his lifetime he has cheated both Christian and heathen alike to obtain. It is a spectacle on which his devout heart feasts, for in every roll of money, he can see the approval of his God."

ln 1888, Messianer Baruch Levy, sent a letter to Karl Marx, in which he said: "The Jewish people as a whole are their own messiah. Its kingdom over the universe is obtained . . . through the suppression of frontiers and monarchies, which were the bulwark for particularism and hinder the erection of our World Republic, where citizenship is recognized everywhere, as belonging only to the Jew . . . The government of people will all pass effortlessly into the hands of the Jews in favor of the victory of the proletariat. Then the property of the world will become the rightful property of the Jews and the prophecies of the Talmud will have been fulfilled. When the time of the Messiah is come, the Jew will have all the goods of all peoples of the world in their possessions." This is their goal!

What a contrast to what Isaiah taught about God's attitude towards the Jew. In Isaiah 65:2, he speaks to the Jews, not Israel: "1 have spread out my hands all day unto a rebellious people, which walked in a way that was not good, after their own thoughts; a people that provoketh me to anger continually to my face . . . (do you suppose **THE LAST TEMPTATION OF CHRIST** might be one of these provocations?) Then vs. 12: "Because when I called, ye did not answer; when I spoke ye did not hear, but did evil before mine eyes, and choose that wherein I was not delighted. Therefore, (because of this) thus saith the Lord . . . ye shall leave your name for a curse unto my chosen (Israel): for the Lord God shall slay thee, and call His servants by another name." To confirm this, read our Lord's words in Luke 19:26 - "But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me."

What is the new name that Israel will be given? I believe it is "Christian". This ties in with the promise of 2 Chronicles 7:14, where it states: "If my people, which are called by my name . . ." This is why the Jews hate us so and are determined to destroy us. For further confirmation, read Malachi 1:2-4.

It was because of this inherited hatred that two of the wealthiest Jews of their time, Jacob Schiff and Max Warburg, gave $20-million to Lenin to finance the Russian Revolution. It is why the Rothschild family has dominated word finances for centuries. It is why Jewish lawyers have insinuated themselves into the highest echelons of government and why Jewish judges control our court system, perverting it for their own ends, which is to hasten the downfall of Christian America.

If that day ever comes, when America succumbs to Jewish control - and we are very close now - it will mean the end of Christians everywhere. Christians will once again be driven into a "hole in the ground existence." Is that what you are longing for? It's what you can expect, if you sit idly by and allow the enemy to take control. If the example of other nations is true, and it has happened in every case, the religious leaders like Billy Graham, Falwell, Swaggart, and many other, who have helped the enemy into power, will be the first to face the communist execution squads. It will be too late then, to realize that you have been wrong!

Our civilized world looks on "anti-semitism" and "racial discrimination" as the most henious of all sins, far outrunning murder and torture. They are sins which leave an eternal and ugly wound of barbarity and animalism, presupposing, of course, that they are not committed by Jews. Yet it has been the Jews, from time immemorial, who have used anti-semitism as an ugly weapon. In their control of the press, radio, television, publishing, etc., they have always strived to camouflage the real power behind communism, which is International Zionism. This is why the watchman who tries to warn against this danger is always tarred with the dirty brush of anti-Semitism.

Yet the only way concerned Americans will ever be able to combat communism, is when they realize that it's foundation lies in International Talmudic Zionism. That it is a Jewish controlled monster and that it's destructive tactics come straight from the pages of its holy book the Talmud.

It was interesting to me, to note that during the recent Canadian trial of Ernst Zundel, under the Canadian Hat Law, a Marxist, German Jew testified in Zundel's defense. Among other things he made this interesting observation. He said in essence: "If every Jew who testified against Mr. Zundel in this trial were forced to take his oath before a rabbi, in a room which held no Christian artifacts. Every one of them would have had to repudiate his testimony."

Christians are taught not to discriminate and the Jews know this. They know that the Christian concept of loving one's neighbor and of following the Golden Rule is believed by the majority of those who go by the name of Christian. So they skillfully mold their devilish attacks against Christians on the assumption, that no matter what they do, the Christian will not retaliate in any way.

I believe it is essential that as Christians, we do not allow our disgust with this alien people to destroy our Christian virtues. God still says: "vengeance is mine, I will repay." He still speaks to us in the Parable of the Wheat and Tares, when the landowner (Jesus) told His servants (us): "Leave the tares alone, lest in uprooting them, you uproot the wheat." (Matthew 13). Some of our people, in their zeal to protect their own, have tried to uproot these evil people and have succeeded only in destroying their own people. We must not allow this to happen. We must proceed with caution and only then on the orders of the Commander in Chief Jesus Christ.

I will not go into detail of the hatred shown to our Lord in the Babylonian Talmud, it is heavy and blasphemous. In fact it will turn your stomach to believe that there is this kind of hatred in the world. Yet these teachings come from the people your pastor chooses to call the Chosen of God.

The Hebrew people, the descendants of Abraham, Isaac and Jacob, who were never called Jews, since there were no people by this name until 1200 years after the time of Abraham, were chosen by God to preserve a monotheistic religion and carry His law for happy and prosperous living to all mankind. When Jesus Christ, the Son of the living God, came to earth, he fulfilled every promise which had been given to the Hebrew prophets.

The promise of a kingdom of the true God, upon this earth - not a spiritual heavenly kingdom, but a kingdom of true religion on this earth, as requested in the Lord's Prayer, was seized on by the Jews as a kingdom for their race alone, with all other nations as their slaves.

The Jews, always lusting for material power, have given this messianic promise a materialistic twist and believe that God has offered only them, power over all the world.

Yet a close study of the prophetic scriptures will show that in no way do the Jews, prove themselves to be the seed of Abraham, except for a few who do so through Edom (Esau) were declared enemies of God as seen in Mal. 1:2-4.

A close study of the Scriptures will show that in no way can the Jews, or anyone else for that matter, prove themselves to be pure-blooded relatives of Abraham. The majority of people we know as Jews today do not possess a drop of Abrahamic blood in their veins and are not even Semitic. From Jewish sources themselves, we can see where the majority of Jews today come from Eastern Europe, where they descended from a Turco Mongolian people from Russia, known as Khazars, who were converted to Judaism in the 8th Century AD.

A little honest historical study might convince you, as it did me, that the purest blooded Israelites in the world today, will be found among the white Anglo races. There is much historical and anthropological evidence, that these people are the so-called "lost tribes" of the House of Israel who went into Assyrian captivity for their disobedience of God's law.

In no place does Jesus insinuate that He came as a Messiah for the Jewish people. He told His disciples: "I am not sent, but to the **LOST SHEEP** of the **HOUSE OF ISRAEL."** (Emphasis

added.) According to Strong's Concordance, #575, the word "lost" as used here comes from the Greek word "appolumi". This is made up of two root words "apo", meaning: "separation or departure," and "ollumi", meaning: "as punishment." Put these two together and we get the meaning that Jesus came, not to the "unsaved" members of the House of Israel (remember these are not Jews), but to the sheep of the House of Israel who had been "scattered and put away as punishment for their disobedience." This can be seen in the Epistle of James which is addressed to the "twelve tribes which are scattered abroad," (James 1:1).

**JESUS DID NOT COME TO THE TALMUDIC PHARISEES OF HIS DAY. HE CALLED THEM** "children of your father the devil." (John 8:44). **HE DID NOT COME TO THE** "synagogue of Satan," **MENTIONED IN REV. 2:9,** "They which say they are Jews, or Judeans, and are not." He came to his own sheep, those who would hear his voice and follow him. In John 10:2, he said to them: "He that entereth in by the door is the shepherd of the sheep . . . and the sheep hear His voice, and He called His own sheep by name, and leadeth them out . . . and a stranger will they not follow, but will flee from him . . ." Then in vs. 26, speaking directly to the Pharisees leaders of the Jews He said very plainly: "Ye believe not, **BECAUSE YE ARE NOT OF MY SHEEP . . ."** (Emphasis mine). How much plainer can words be?

Who is it that has accepted Christ around the world? Who have founded their country's law on His law? Who have sent the Kingdom message around the world? Who has fed the hungry and set the captive free? Who takes care of the unfortunates in time of disaster? Certainly not the Jews! It has been the predominately white people of the nations of Christendom and this is a fingerprint of their Israel heritage.

These people, for the most part do not understand their heritage, although in recent years this understanding is spreading rapidly. The Bible predicts this and says that many will not understand who they are until our leader, Jesus Christ, comes back to take over the reins of government. This promise of "mistaken identity," could not apply to the Jews, since they have known for centuries who they were and have tried to hide it from Christian eyes. Why is it that our pastors keep their people in ignorance about their identity? Why do they refuse to accept the promises God has made to this special people? Imagine, if you can, what would happen in America and Canada, if our white Israel people knew who they were. We would see them rise up in righteous indignation to toss the "money changers out of the national temple." We could turn this nation of ours around in six months, if one-quarter of our white Christian people knew who they were.

Very few of our white people understand their tremendous heritage. Our founding fathers knew about it. They realized they were God's people, brought into this wilderness according to His promise for a special purpose. This is why they could write and sing a hymn such as:

**"Ye chosen seed of Israel's race,**
**Ye ransomed from the fall.**
**Hail Him who saves you by His grace.**
**And Crown Him, Lord of All!"**

When the Prophet Daniel spoke about these end times, he told how the "kingdom" would be given to the "people of the saints of the Most Hi~h~ whose kingdom is an ~ and all dominions shall serve and obey Him." Israelite Christians interpret this rightly as the eternal reign of Jesus Christ as King of Kings and Lord of Lords.

The Jews regard it as meaning they will rule this world in a dictatorship and that every Jew will have 2,000 "goyim" slaves. That refers to you, my Christian friend!

This false interpretation was so prevalent at the time of Christ's earthly ministry, that the people of Jerusalem wanted to force Him into becoming a warlord king, who would rescue them from the Roman rule. But when Jesus preached that all saved men and women were equal in the eyes of God, this Jewish teaching became "null and void." Their Talmudic teaching about a Jew dominated world

went down the drain. The Jewish leaders feared that if the Israelites in Judea were to accept Christ's teachings, it would threaten the glorious future they pictured for themselves. So in order to defend their position, they alluded to the suitability of Christ dying for the nation.

After the blackest, most God-defying crime in world history, the murder of the righteous Son of God, the Jewish leaders stood stiff-necked in contempt of the world and attempted to justify their crime in their religious book the Talmud, by making our Lord out to be an "illegitimate bastard," and a criminal of the worst sort. They twisted the words of Moses, to fit their Jewish demands. No wonder our Lord said to them: ye have made the commandments of God of non-effect, by your traditions," (Matt. 15:6). The Apostle Paul further warned Christians of these hypocrites in Titus 1:14, when he warned Christians about "giving heed to Jewish fables, and commandments of men that shall turn from the truth."

So you see, if the Jewish leaders in Jesus day did not have the truth, there is no possibility that they have it now, for they have not changed. Jewish authorities state that the Talmudism of Jesus' day was Phariseeism and that ancient Phariseeism became ancient rabbinism which became modern rabbinism. In all these years, it has not changed. It is still Talmudism.

The Talmud teaches (Baba Metzia, 114, Sec. 2) -"You Israelites (Jews) are called men, while the people of the world do not deserve the name of men, but that of beasts . .

The Jews are taught in their synagogues that God has commanded them to lay on all other people their absolute tyranny and that this can only come about through an unrestrained socialist dictatorship. This is why you always find Jews in the forefront of all communist activity.

It is terribly important that all Christians, in fact, all non-Jews grasp this fact. The wickedness of this people goes to the point where they hold morally permissible, the dismissal of God, in order that Communist materialism may be victorious. This is one of the reasons there are so many Zionists in communist positions of leadership and why so many of them are atheists.

The deeper one goes into a study of this religion of Judaism, the more you will realize the deep abyss which has been opened between the Hebrew religion, taught by Moses, and the religion of the Jews, which is Phariseeism.

The Jews, with their prostitutes within Christianity, wish to secure in a comfortable manner, the victory of the Jewish hunger for absolute power. If the Christian church lays down and plays dead before this anti-Christ force, and hides in her spiritual foxhole while the battle rages, then the enemy will be triumphant and the antiChrists will rule unopposed and Christian freedom will die everywhere. Already the Anti-Defamation League of the Jewish B'nai B'rith, is drawing up plans for the implementation of the Genocide Treaty in the United States, where anyone who speaks about Jews or Judaism in a derogatory manner, can be taken to the Israeli nation for trial and where they will lose their rights as an American citizen. Along with this plan, goes another, which will delete all anti-Jewish references from the New Testament.

Today, the Jewish world is seeking the "ecumenical approach" to Christianity. They are saying: "Leave us alone and we will leave you alone." While at the same time they are doing everything within their power to weaken and destroy Christian freedom. The Christian world, for the most part, has been willing to cooperate in their own destruction.

It is part of the Talmudic tradition that lies and deception are permissible when dealing with the Christian enemy. Their policy is that of Communism: "When you tell a lie, make it a big one and shout it over and over, until people begin to believe it." This is exactly what the Jews have done with their "Chosen people story" and their cry of "anti-Semitism," against anyone who tries to expose them.

In the 16th Century, Martin Luther, the great reformer accused the Jews of: "squeezing from us our money and goods . . . of lying, blaspheming and cursing." He went on to say: "I will give you my true counsel. First, avoid their synagogues and schools and warn our people about them . . there is

more wisdom uttered in three of Aesop's fables, than in all the books of the Talmudist rabbis." Yet in spite of this warning, Luther's books are now banned in Lutheran schools.

It will do us little good to attack the arms of this world-wide octopus. The filthy arms of prostitution, drugs, pornography, immorality - you recognize most of them. It will do us little good to march before the abortion clinics and before the theaters which display a filthy, blasphemous movie such as **THE LAST TEMPTATION OF CHRIST,** as long as the head is allowed to remain healthy. Most of the well known Christian leaders who protested the movie, were more concerned that their people would become "anti-Semitic" because of the movie, than in its contents and what it would do to their people. flow many of them do you know that have even told their people that the producers of this movie were Jews and that the studio that produced it was Jew owned and run?

I dare you, as concerned Americans to look behind [he facade of Hollywood and see those who seek to destroy Christian values. I dare you to look at the names of those who are seeking to destroy the economic stability of America in order to further their control. I challenge you to look and then act, for you will find most of the top leaders in this "plot to destroy Christianity," are Jewish names. These must be exposed, if we are to remain free.

This will be a dangerous undertaking, for Jewish power is strong in this land and is growing all the time. It will not be the task for some "sunshine soldier." Jewish judges and lawyers now control our court system and you can expect no justice from them, for they have a mandate from their god to lie in order to convict you as a Christian.

The arm of the Anti-Defamation League is long, and their "bully boys" of the Jewish Defense League are vicious. We know that; that's why their colors are "red;" the red of communism and shed blood. But we must never falter in our fight, for it is for our survival!

We should have no quarrel against the Jewish people is they want to live in this country in peace and abide by our Christian laws. But let them show us this by their actions. This means they must stop trying to destroy every Christian value in America. They have already taken prayer and Bible reading from our schools; crosses from our hillsides, and nativity scenes from our courtyard squares. This is a Christian nation. If they want to live as Jews, then let them abide by our laws, not try and destroy them and set up their own filthy standards.

If they want peace, then let them dissolve the communist-socialist organizations they control and finance! Let them clean up the movie studios and the TV networks they own and control. Let them withdraw their attempt to control our government through their Jewish lobbies in Washington.

If they are sincere, then let them hold "free elections" in the countries that are under their Socialist control. Let them stop the false propaganda which pours daily from their propaganda mills and which has poisoned an entire generation of American youth.

Let them show by honest efforts that they want to live in peace with their Arab neighbors. If they are honestly and sincerely desirous of living at peace with the rest of us, then let them remain secure within their borders and within the United States.

But if they continue their deceit. If they continue to spread their lies about Christian Patriots. If they continue their aggression and hatred against Christ and Christianity, then it should be made clear to all the world, that their propaganda has been pumped into our churches and into this country for the purpose of destroying us.

When this is shown beyond a shadow of a doubt, then it lies within our rights, to defend our Christian way of life, our faith, our race, our country and our freedom, with any means that is at hand. If this means evicting the Jews from America, as has happened to them before, then that means will be taken. But through God's help, we will defend our faith, our race, and our freedom against this godless enemy and we will consider their Christian stooges in America as our enemy too.

**WE WILL NEVER SURRENDER!**

Our freedom was not "bought and paid for at Valley Forge," that was only the "down payment" on freedom. Every generation must be willing to make payment on this account, if they are to remain free. **BEFORE GOD, WE INTEND TO DO JUST THAT!**

The **FORMULA FOR OUR SURVIVAL** is readily available for us. It is found in 2 Chronicles 7:14, which states: "If my people, which are called by my name (Christian), will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sins, and **WILL HEAL THEIR LAND."** (Emphasis mine). It is up to you, whether we remain free, or become slaves!
